

Welcome to the 2nd Annual **Get Your Motor Runnin' Porker Run**

Your task is to take pictures of your bike in front of the locations specified in your packet. If you don't ride your own bike but ride with someone else you will need him or her to take a pic of you along with the bike at the location. * Bikes on trailers do not count for points.

You will be given points for your pics based on the value listed in your packet. You will need 15 points to qualify to draw one 5 card hand. You will get an additional card for each 5 points you earn. Out of the cards you draw you will pick out the 5 best cards for your hand. You can earn the right to draw up to a maximum of 15 cards (3 hands). There will be 1st, 2nd and 3rd place winners. The exact prizes will be determined later in the year based on the number of entries.

All the drawings will take place at our annual Christmas Party. If you cannot attend the party arrangements will be made prior to that night to draw your cards. You need not attend the Christmas party to be eligible to win one of the four (4) \$25 gift certificates.

The Location Number and Points sheet gives you a numbered list of locations to visit. Each location has been assigned points. The map gives you the numbered location spots.
